The dragon hunters read the last page
of Lucas Light's letter.

Chapter 1 – Lucas Light's Letter Ends

Ivory and Ebony roam the mountains.

Old House with a New Door

BROWN DRAGON LIE

"Browning" meat is cooking it, not painting it.

BLUE DRAGON LIE

Feeling "Blue" does not change the facts.

GREEN DRAGON LIE

Green trees do not cause the weather to turn warm.

PURPLE DRAGON LIE

Purple Mountains Majesty

Purple mountains have another side.

Red Dragon Lie

Embarrassed, Sunburned or Angry?

Jay said, "Red lies start like everyone already agrees something is true, but just because someone turns red, does not mean they are embarrassed."

YELLOW BANANA LIE

Just because you slip and fall
doesn't mean you will certainly die.

Yellow Buttercup Lie

Just because a flower is yellow doesn't mean it is a buttercup.

WHITE LIGHT LIE

Just because you can't say exactly where one color ends and another starts doesn't mean they are not different colors.

White Cloud Lie

A cloud is made of water droplets but they remain two different things.

White Snowflake Lie

Snow looks all the same but snowflakes are each unique.

Chapter 2 – Journey to East End

Hai Rides on Lug

Sheik Non Takes a Look Ahead

Chapter 2 – Journey to East End

East End

Compo awaits with her pet bears,
Ebony and Ivory.

Trudy, Shiek Non, and Jay at the Inn
trying to be careful what they say,
so the dragon soldiers won't take it out on
the local town's people.

Chapter 3 – Cold Logic

Lug said, "I don't have any toes."

Major Molar Guards the Door

Passie answered, "I was the one who made that offer, but no one else agreed to it, including the Blue Dragon, Track."

Lug answered. "Sure, we admit that we all make mistakes. And certainly, it is up to you to decide who you trust. Was there something else you wanted to talk about?"

Compo screamed. She tried to breathe fire on Trudy, but it came out like snow from a snow-making machine.

Chapter 3 – Cold Logic

Jay is caught in an icy grip.

Hai Has a Plan

Chapter 4 – A Strange Alliance

Ebony had been right. Lug looked funny wearing boots and snowshoes.

Chapter 4 – A Strange Alliance

True to his word, the polar bear was waiting outside the inn at dawn.

From above them, five snarling
grey wolves attacked.

Jay stuck his sword in the first wolf's heart and then began to deal with the others.

The Lair of the White Dragon

Chapter 5 – Ice Castle

Giant icicles hung from all the ceilings.

About a mile away were three dog sleds
with teams and drivers coming
straight towards them.

The three brothers would not let the dragon slayers take any of the night watches.

About noon, they came to a little cabin among the trees.

Chapter 6 – Fort Glacier

Hai announced, "Fort Glacier."

As they stood there, a truck full of coal came out of the tunnel and turned to the southwest.

There was no clapping, waving, or cheering, just the stamping of feet on the cobblestone pavement—thump, thump, thump, on pieces of white cloth.
